She is currently a health care executive leader at Hawai'i Health Pacific - one of the largest health care systems in the State of Hawai'i.
Erin Saito, PhD (Resigned and moved to California with spouse)	JABSOM, DNHH Assistant Researcher	~2005-2010	Joined the DNHH Research Division as a Research Coordinator under the CNPHDR (P20 MD 000173). She later asked to be mentored as she decided to seek a graduate degree in Clinical Research at JABSOM (Director - Dr. Rosanne Harrigan, PhD). She completed her PhD and was successful in submitting an administrative supplement under the

Joseph Keawe'aimoku Kaholokula, PhD (Completed upon DNHH Chair appointment 2011)	JABSOM, DNHH, Assistant Researcher, Associate Professor, Professor	2004-2011	CNPHDR (parent grant). The aim of the administrative supplement was to develop and implement a telemedicine intervention in Hawai'i and to explore the use of telemedicine in Alaska Native villages. Dr. Saito moved out of state for personal reasons (family) and we mutually agreed to end the mentoring relationship.
<u>Career / Remote Mentor</u>			
Erica L. Woodahl, PhD (Funding ended due to health problems - unable to travel)	University of Montana	2015 to 2016	Dr. Woodahl is a doctor of pharmacy interested in conducting pharmacogenomics research with American Indian tribes in her home state of Montana using community engagement approaches . She was awarded a "Mini-Sabbatical" grant from the Mountain West CTR-IN program and will be spending some of her sabbatical time in HI to learn more about our community partnerships as they relate to her research.
Blakely Brown, PhD	University of Montana	2013 to 2014. Intermittent mentoring 2014-present	Dr. Brown was awarded a Visiting Scholars Program grant from the CREMcaD & the Mountain West CTR-IN (NIH funding). I served as one of her scientific content mentors and she visited our clinical research site in Honolulu, HI in 2014. I reciprocated in May 2014 and spent a week at her home institution, U of Montana in Missoula. As a remote mentor we interact through email and phone calls on an ongoing basis (monthly)
Denise Dillard, PhD (Consultant "remote" mentor)	Southcentral Foundation, AK	2011 - ongoing	Dr. Denise Dillard, PhD is an Alaska Native Investigator who is the Director of the Southcentral Foundation Research Program in Anchorage, AK. I currently serve as a Remote Mentor to her and her

			team of researchers. I meet with her about 1-2X per year as well as converse with her as needed through email and/or conference call. Dr. Dillard has since received independent Research through NARCH and PCORI.
Tetine Sentell, PhD (secondary mentor, ended after promotion & tenure 2017)	UH Program of Public Health & Epidemiology	2012 - 2018	Dr. Tetine Sentell is a faculty member in the Office of Public Health Sciences and she is also a funded investigator under our CNPHDR. I serve as a scientific content mentor for her with regard to DM and/or clinical consultation on her research work. She is also directly mentored by Dr. Deborah Juarez with regards to her Health Services Research work. Dr. Sentell has been successful in her application for tenure and promotion in the Office of Public Health Sciences at UHM.
Kazuma Nakagawa, MD (secondary mentor - ended when P20 grant ended)	QMC Neurointensive Unit	2012 - 2018	Dr. Kazuma Nakagawa is a neuro-intensivist at QMC and is also a funded investigator under our CNPHDR. I serve as a clinical health disparities mentor to Dr. Nakagawa and interact with him about every other month at our Research Seminar meetings as well as through emails and/or conference calls.
Rebecca Delafield (secondary mentor, ended when hired by other PI)	JABSOM DNHH, Researcher (CBPR Projects)	2009 - ongoing	Ms. Rebecca Delafield is a long time researcher under the DNHH Research division and in this capacity I have mentored Becky over the last 8 years as she was considering further research training. I serve as a secondary health disparities mentor to her and we meet intermittently as needed.
Claire Townsend, PhD (secondary PI, advisory, hired by other PI)	JABSOM, DNHH, Researcher (CBPR projects)	2014 - ongoing	Dr. Claire Townsend is a long time researcher with the DNHH primarily under the PILI Projects and under the direct tutelage of Dr. Kaholokula. As she has recently completed her DrPH she has sought my mentoring advice with regards to her grant writing strategies. I interact with her as needed. As of 2017, Dr. Townsend-Ng was awarded a Diversity Supplement from NHLBI (Mar 2017) and she has also joined my Health Disparities Research Mentoring Hui. Which meets monthly by group and with opportunities for 1-2 mentoring 4X/month.
Pua Melia Akana, PharmD (Remote mentor, infrequent personal contact, advisory)	WCCHC, Clinical researcher	2010 - ongoing	Dr. Pua Akana is a PharmD who currently works for the WCCHC where she oversees a number of pharmacy-based programs as well as the DM management

program for the PCPs. I have known Dr. Akana for the last 4 years when she was still a student in the College of Pharmacy in Hilo. Over the years, I have served as a mentor to her in terms of research advice, grantwriting and DM programs. I interact with Dr. Akana about every quarter or as needed for specific grant applications.

Sela Panapasa, PhD
(Consultant, remote PI,
ended when grant
completed)

University of
Michigan

2008 - 2012

Dr. Panapasa is a well known Pacific Islander Demographer at the U of Michigan. I have served as a remote mentor to Dr. Panapasa for several years as she was the central focus of an administrative supplemental grant to one of my funded grants. We have collaborated on several projects and most notably the first paper to quantitate national estimates of the NH population mortality rates across their lifespan. I continue to serve as a remote mentor to Sela and we meet as needed which is about once a year and interact intermittently via e-mail.
